

Ultimate Showdowns Drag Racing Series has always committed to providing a place for racers to come where they can experience family-fun, safe racing in front of the largest crowds in Ontario. We want our racers to get the most out of bringing their cars to the track, and that comes from racing in front of sold out crowds. At the end of the 2017 season, we were left to make some tough decisions, which meant stepping back a bit and looking at the sustainability of the series. In order to continue providing you with a safe, crowd filled racing, we reduced the number of races and gave the track a bit more control.

The Stratford Spectacular Race (Ultimate Showdowns 1) is on its way to becoming the biggest, fastest, and best show in Southern Ontario. This race is being run by Ultimate Showdowns with support from Grand Bend Motorplex. Entry fees and payouts will be handled by GBM based on a fee structure agreed upon by Ultimate and GBM (please see website for this information).

In addition to the Stratford Spectacular, a proposal was introduced to both Paul (GBM) and Uli (TMP). The proposal included 2 other major events hosted at their respective tracks that would score points towards Ultimate Showdowns point championship. Ultimate Showdowns would promote these events but they would be hosted entirely by the tracks.

In light of the announcement that was presented by TMP and Drag Syndicate on April 20, Ultimate Showdowns decided to rethink our season. After a discussion with a number of teams and drivers at the drivers meeting on April 22, it was decided that Ultimate will not score points for the 2018 season. For those wishing to be involved in a point's championship, both Pro Modified and Sportsman racers will have the opportunity through TMP – you can contact them to find out more information.

Information about this race will continue to be updated through the Website and Social Media. You can reach out to Ultimate Showdowns by calling 519-635-1961.
